INVESTMENT GUIDE

2026

# WELCOME

Your wedding is more than a day—it's a collection of meaningful moments.

My approach blends natural storytelling with an editorial eye, creating imagery that feels effortless and elevated.

This guide offers a glimpse into the experience, and how your story can be preserved for years to come.

# THE EXPERIENCE

Working together is designed to feel seamless, calm, and considered.

From our first conversation to the final delivery of your images, every step is intentional:

- Thoughtful timeline guidance so your day flows naturally
- A calm presence throughout your wedding
- Direction when needed, never forced
- An editorial eye focused on both moments and atmosphere

The goal is simple: *to allow you to be fully present, while everything meaningful is preserved.*

# INVESTMENT OVERVIEW

Each collection is designed as a starting point, with the flexibility to tailor coverage based on your day, priorities, and vision.

# LEVEL 1 - \$1,800
